## **Dancing Shoes**

Who's gonna dance with me tonight?  
We're gonna dance till our legs feel tired  
But we won't care cause we've got the blues  
We've got on our dancing shoes.

We're going skanking all night long  
Just as long as they play our song  
And this ya song we can't refuse  
We've got on our dancing shoes

You'll never love another song like this  
It fills your soul  
And this sound you can't resist  
It's got you in a hold

Never in this world will there be so much love  
As between you and me my love  
'Cause we ain't got no time to lose  
We've got on our dancing shoes.

You'll never like another song like this  
It fills your soul  
And this sound you can't resist  
It's got you in a hold

Never in this world will there be so much love  
As between you and me my love  
'Cause we ain't got no time to lose  
We've got on our dancing shoes

Who's gonna dance with me tonight?  
We're gonna dance till our legs feel tired  
But we won't care cause we've got the blues  
We've got on our dancing shoes  
Got on our dancing shoes  
We've got on our dancing shoes
