

I've Been To Harlem

I've been to Harlem I've been to Dover
I've travelled this wide world all over
Over, over, three times over
Drink what you have to drink and turn your glasses over

Sailing to the east, (*clap*) Sailing to the west, (*clap*) sailing over the ocean
But you better watch out when the boat begins to rock
Or you'll lose your lunch in the ocean

Turn your glasses over now, turn your glasses over
Turn your glasses over now, turn your glasses over
Turn your glasses over now, turn your glasses over
Turn your glasses over now, turn your glasses over

I've been to Harlem (*I've been to Harlem*) I've been to Dover (*I've been to Dover*)
I've travelled this wide (*I've travelled this wide*) world all over (*world all over*)
Over, over, (*Over, over,*) three times over, (*three times over*)
Drink what you have to drink (*drink what you have to drink*)
Turn your glasses over (*turn your glasses over*)

Sailing to the east, (*clap*) Sailing to the west, (*clap*) sailing over the ocean
But you better watch out when the boat begins to rock
Or you'll lose your lunch in the ocean
